FLUSHED WITH VICTORY

Country Boy Thinks He Has the Game Beat a Block

He evidently had won in a tussle with the tiger over the green cloth, and flushed with his victory and the effects of several drinks, he felt like many another unsophisticated country lad who had trod the road before him—that none were as wise as he when it came to dallying with the cards.

It was Monday evening, and with two companions the trio were standing in front of a saloon in Market street. They were evidently being persuaded to have him return home with them.

"I'm \$80 to the good, and I intend to stay in town all week and have a good time," he remarked in replying to his friends.

The young man will find that it will not require the entire week to separate himself from his \$80 and twice \$80 on top of it if he stacks up against the apparently looking hayseeds that are plentiful on this popular thoroughfare.

So, they are all wise guys capable of taking your measure in ten seconds when it comes down to real business in handling cards. The \$80 you won was a mere bait to draw you on. Your next sitting will not be so profitable, and in the end you will be minus your bank roll.

Better think the matter over, return to your home, give up gambling and you will be better off both in purse and health, besides having a clear conscience.

HOME-COMING!

JOHN DULEY'S REAL ESTATE AGENCY

The benefits to be derived from a well equipped Real Estate Agency, both to the seller and buyer, are numerous. It enables the one who desires to sell to reach a large number of prospective buyers, many more than could be reached in any other way. It enables the purchaser to see a list of classified property from which he can make a selection, and thus save him a large amount of time, and considerable expense, in searching the country over for the property which will suit his purpose. On my list will be found farms of different sizes, prices and locations, covering a considerable area of Kentucky and Ohio, and some in other States. During the past three years my Agency has sold a very large number of farms; 1907 promises to be a record breaker. If you have a farm which you wish to sell, list it with me, at the right price, and I can find you a buyer. If you wish to purchase, make a careful inspection of this list, mark the farm that you think will suit you, come to see me, or, if that is impossible, write me for full particulars. If nothing in this list suits you, do not be discouraged, as farms are being listed with me almost every day, and if you will come to see me I can tell you of property which is not herein described. My offices are conveniently located at

No. 215 Court Street, Maysville, Ky.

I have a private office, and any negotiation which you may wish to make, can be strictly private, if you so desire. I am devoting my entire time to the Real Estate business, with no side issues, and feel that I am well equipped to attend to the needs of my customers. I advertise in about thirty different papers and spend more money in advertising Real Estate than any other Agency in Kentucky. I am sending out about 10,000 lists similar to this one.

MAYSVILLE CITY PROPERTY

is in good demand, and I have a nice list of improved and unimproved property, which I am selling at figures which will make the purchaser a nice profit in less than twelve months' time.

Briefly, let me say, that if you wish to buy farms or real estate of any kind, or sell same, any place on the face of the earth, I offer you my services as a specialist along this line.

Soliciting your patronage and influence, I remain,

Yours, very truly,

JOHN DULEY

Don't Die

Without owning A HOME. There are many reasons why every man who has a family, either large or small, dependent upon him, should become the owner of a house to shelter that family. The matter of paying rent is a constant drain upon the resources with nothing left to show for each month's expenditure. A few dollars added to the amount which you pay out in this way would secure you a home, which, at the end of 7 years and 9 months, if you choose to take advantage of the opportunities offered by the Building Associations, would enable you to have a clear title to a house and lot. If you do not choose to use this very desirable way of paying for property, I can assist you in a way that will be as economical. Make up your mind to own the house which you occupy without procrastination.

FARMS!

I am now ready with 10,000 twelve-page descriptive lists of farms which I have for sale. In this you will find 85 desirable places listed and general information given with reference to same. I have many other farms listed in my agency which do not appear in this descriptive list. If you have any idea of buying a farm, or know of any one who would be interested in such a list, I shall be pleased if you will inform me.

John Duley,

DWELLINGS

Thinking it more than likely that this descriptive list of farms may fall into the hands of some one who would like to buy property in a live, progressive city with good educational facilities and everything which is calculated to make life pleasant, I desire to call your attention to the fact that I have some splendid property for sale in the City of Maysville. We claim a population near 10,000, we have the C. and O. R. R., and L. and N. R. R.; the C. and O. R. R. has 10 passenger trains daily and the L. and N. R. 8 daily passenger trains, have street car line, water works, electric lights and gas plant, ice factory, two large brick plants, plow factories, foundry and machine shops, cigar factories, a cotton mill, a large warehouse of the American Tobacco Company, saw and planing mills, furniture factory, the next to the largest wood split pulley works in the world, flouring mills, a splendid system of public schools, good churches representing all the leading denominations; the construction of modern brick streets will be begun inside of 30 days. The scenery around Maysville is unsurpassed for its beauty and variety. The Ohio River skirts us on the north and the towering hills on the South afford protection from the heavy gales which might otherwise be destructive. Living is much less expensive than in the cities in Central Kentucky, and fuel is cheaper. Altogether, Maysville is a most delightful place of residence. Real estate values have been low, but are gradually increasing, and if you have money to invest, there is no better field for you to look over than the "Seven Acres City." It has grown to much greater proportions than when the title was applied. Come to Maysville, Ky., and see

MASON'S HOME-COMING

Enthusiastic Meeting Last Night—Push the Work Along

The Home-Coming meeting at the Court House last evening was a business one from start to finish, and those present were enthusiastic in the matter and displayed a spirit that means success.

A hopeful sign was the presence of Dr. John Barbour, Rev. F. K. Struve and Rev. W. W. Akers, each of whom spoke encouragingly and promised to lend their aid in furthering the good cause.

The Louisville Home-Coming Committee having appointed Mr. Thomas A. Keith a Commissioner to take charge of the register at Louisville and look after the Mason contingents—850 of whom are listed—the meeting last night ratified the appointment and empowered him to secure the promise of as many as possible to attend our Home-Coming.

A Committee consisting of County Attorney Slattery, President Duley of the Board of Trade and R. A. Cochran, Esq., was appointed to appear before the meeting of the Fiscal Court Saturday and ask of that honorable body a donation of \$200 towards defraying expenses.

Chairman C. L. Sallee was made a kind of Director General of the various Committees, and from now on it is expected the Committees will have something to do, now that they have both Duley and Sallee laying out their work and prodding them forward.

Millard Metz, Chairman of the Finance Committee, has ideas of his own, and it goes without saying that he will attend to his end of the string.

People are just awakening to the true intent and purpose of the Home-Coming and as the days go by everybody will be falling in line.

It was the proper thing when Mr. Duley suggested that the Ministers tell their congregations something of Home-Coming, and thereby enlist them in the work.

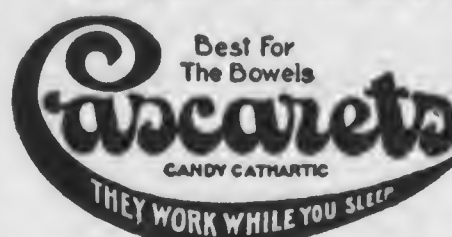

Things are working nicely now and everybody will be wearing a Home-Coming button in a few days.

An immense flood in Huau Province, China, destroyed many lives and much property. All foreigners are reported safe.

"I had trouble with my bowels which made my blood impure. My face was covered with pimples which no external remedy could remove. The National Assembly of Russia, to which so many hopes for the future of that country are pinned, will be convened at the Tauride Palace, in St. Petersburg, on Thursday, May 10th. Never before in the history of Russia has there been an assemblage which, with the sanction and approval of the Government, has represented the people. It would therefore appear to be an experiment upon the outcome of which will depend the future of Russia.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone that it fails to cure. Send for list of testimonials.

Born, to Mr. and Mrs. Roger Lyons, last Saturday morning, a fine, large son.

Miss Mayme Gidding from Tollesboro was buried at Olivet last Wednesday.

Mrs. Omar Pollette has returned to her home from a visit with her father-in-law.

The farmers and the housecleaners are the most bustling people that we can boast of at present.

The Olivet Sunday-school will enjoy a fish-fry at Horsehoe Bend next Saturday. The school is flourishing at present.

Quite a number of our citizen attended the Robinson show Monday, many who have not attended a show for years.

Misses Mande Gray and Retta Herbert were guests Sunday at the dining given by Mrs. Lot Coryell for the gay lads and lassies of Orangeburg.

Special mention must be given to the Class Meeting held in the Olivet Church May 6th.

Every feature was typical of the old Wesleyan Methodism. Among those present were Mr. Tom Pollette, the Sunday-school Superintendent who has served in that place through three generations, the organist, Mrs. R. L. Cooper, who has grown up in this Church and devoted all her talent to its glory, and whose voice still rings with a melody sweet and unbroken. The meeting was led by Rev. Littleton, who is now one of the oldest members of the Church. His lesson was from Paul's letter to the Church at Ephesus, and in his comments, he took a retrospective view of the old members whose shouts he had heard echo from those old walls, but whose voices are hushed in the silent tombs around the Church. Ah, methinks, could the reminiscences of that meeting be carried through the long vista of years when a modern Church shall have taken the place of the old one, and the rising generations could see that old bent form, eyesight nearly gone, so frail in body, but with a powerful voice about aloud, "Tis the same Jesus of our forefathers and his name is still Jesus!" a mighty host would catch up the strain of the "Old-Time Religion" and waft it to the New House not made with hands.

SPRINGDALE.

Mr. James Soister was in Maysville Monday. Miss Minnie Wolfe was shopping in Maysville Monday.

Mr. Homer Kimble of Ohio was on our streets Monday.

Elder T. P. Dogman filled his regular appointment at Blueclicks Springs.

Mr. Sam Redman shipped a nice bunch of hogs to the Cincinnati market Monday.

Miss Lillie Soister has returned home from a ten days visit with relatives at Ripley.

Little Miss Goldie Wirline of Ripley is visiting her grandparents, Mr. and Mrs. James H. Soister.

Mr. Gains Rice, the noted Ohio river fisherman, left last week for the Mississippi river. The last heard of him he had gotten as far as Maysville.

Mr. George W. Rudy of Forest avenue is very sick.

Section 1. Be it ordained by the Board of Council of the City of Maysville, That all corporations owning and controlling franchises in Second and Third streets, or owners of lots or leases of same, fronting and abutting on both sides of the following streets: On Second street from the Western margin of Wall street to the Eastern margin of Market street, and on Third street from the Western margin of Wall street to the Eastern margin of Bridge street, are hereby notified and ordered to construct house connections with the sewer, gas and water pipes, under the supervision of the Street Paving Committee, before said streets are permanently improved by being paved with vitrified brick block.

CONFIRMED PROOF.

Residents of Maysville Cannot Doubt What Has Been Twice Proved.

In gratitude for complete relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Maysville, who so testified years ago, now say their cures were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Maysville kidney sufferers.

A. W. McClanahan, of A. W. & B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me more or less for twenty years and seemed to be growing worse and worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire. I got the remedy at J. J. Wood & Son's Drugstore."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
